Paddock Overcoats!

The Paddock Overcoat is the swellest garment made in the Overcoat line. It is distinctly a high-toned Coat. It's a hard garment to make, and to look right must be worked out by the hands of experts. Our Paddocks are hand-tailored from the finest imported and domestic materials, and made by the best tailors in the trade. We invite the attention of fashionable dressers to our line of Paddock Overcoats. A little more expensive than the regular Overcoat, to be sure, but they are worth all we ask for them—\$20.00, \$22.00 to \$25.00. We never heard of a smart dresser who would part with his Paddock at any price, provided he had the correct kind, and that means our kind.
